

Executive Director Report – January 27, 2022

This report only includes one update since Item 8, Overview of Current First 5 California Investments, will provide an extensive summary of many First 5 California programs.

Priority Area III: Family Functioning

GOAL: All families have the knowledge, skills, and resources to support their children's optimal development.

The *Kit for New Parents* contractor, ALOM, has informed First 5 California that their Fremont facility and its operations have been affected by high levels of COVID-19 infections in the Bay Area. Fulfillment operations were paused until further notice, delaying the timeliness of some orders. This delay may last days and possibly weeks. Staff has informed county partners of this possible impact and are working with ALOM on potential contingency planning should delays last longer than anticipated.
